REPRESENTATIONS, WARRANTIES AND COVENANTS OF BORROWER AND COUNCIL

SECTION 2.01. Representations, Warranties and Covenants. The Borrower and the Council represent, warrant and covenant on the date hereof for the benefit of the Trustee, the Borrower, the [Bond Insurer] and Bondholders, as applicable, as follows:

(a) Organization and Authority. The Borrower:

(1) is a duly organized and validly existing municipality of the State and is a duly organized and validly existing Borrower; and

(2) has all requisite power and authority to own and operate its properties and to carry on its activities as now conducted and as presently proposed to be conducted.

(b) Full Disclosure. There is no fact that the Borrower knows of which has not been specifically disclosed in writing to the Council and the [Bond Insurer] that materially and adversely affects or, except for pending or proposed legislation or regulations that are a matter of general public information affecting State of Florida municipalities generally, that will materially affect adversely the properties, activities, prospects or condition (financial or otherwise) of the Borrower or the ability of the Borrower to perform its obligations under this Agreement.

The financial statements, including balance sheets, and any other written statement furnished by the Borrower to the Council, Wells Fargo Bank, National Association, as underwriter of the Bonds [and the Bond Insurer] do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein or herein not misleading. There is no fact known to the Borrower which the Borrower has not disclosed to the Council, Wells Fargo Bank, National Association, as underwriter of the Bonds [and the Bond Insurer] in writing which materially affects adversely or is likely to materially affect adversely the financial condition of the Borrower, or its ability to make the payments under this Agreement when and as the same become due and payable.

(c) Pending Litigation. To the knowledge of the Borrower there are no proceedings pending, or to the knowledge of the Borrower threatened, against or affecting the Borrower, except as specifically described in writing to the Council, Wells Fargo Bank, National Association, as underwriter of the Bonds [and the Bond Insurer,] in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would materially and adversely affect the properties, prospects or condition (financial or otherwise) of

the Borrower, or the existence or powers or ability of the Borrower to enter into and perform its obligations under this Agreement.

(d) Borrowing Legal and Authorized. The execution and delivery of this Agreement and the consummation of the transactions provided for in this Agreement and compliance by the Borrower with the provisions of this Agreement:

(1) are within the powers of the Borrower and have been duly and effectively authorized by all necessary action on the part of the Borrower; and

(2) do not and will not (i) conflict with or result in any material breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Borrower pursuant to any indenture, loan agreement or other agreement or instrument (other than this Agreement) or restriction to which the Borrower is a party or by which the Borrower, its properties or operations are bound as of the date of this Agreement or (ii) with the giving of notice or the passage of time or both, constitute a breach or default or so result in the creation or imposition of any lien, charge or encumbrance, which breach, default, lien, charge or encumbrance (described in (i) or (ii)) could materially and adversely affect the validity or the enforceability of this Agreement or the Borrower's ability to perform fully its obligations under this Agreement; nor does such action result in any violation of the provisions of the Act, or any laws, ordinances, governmental rules or regulations or court orders to which the Borrower, its properties or operations may be bound.

(e) No Defaults. No event has occurred and no condition exists that constitutes an Event of Default, or which, upon the execution and delivery of this Agreement and/or the passage of time or giving of notice or both, would constitute an Event of Default. The Borrower is not in violation in any material respect, and has not received notice of any claimed violation (except such violations as (i) heretofore have been specifically disclosed in writing to, and have been in writing specifically consented to by the Council [and the Bond Insurer] and (ii) do not, and shall not, have any material adverse effect on the transactions herein contemplated and the compliance by the Borrower with the terms hereof), of any terms of any agreement or other instrument to which it is a party or by which it, its properties or operations may be bound, which may materially adversely affect the ability of the Borrower to perform hereunder.

(f) Governmental Consent. The Borrower has obtained, or will obtain, all permits, approvals and findings of non-reviewability required as of the date hereof by any governmental body or officer for the acquisition and/or installation of the Project, including construction and renovation work, the financing or refinancing thereof or the reimbursement of the Borrower therefor, or the use of such Project, and, prior to the Loan, the Borrower will obtain all other such permits, approvals and findings as may be necessary for the foregoing and for such Loan and the proper application thereof; the Borrower has complied with or will comply with all applicable provisions of law requiring any notification, declaration, filing or registration with

any agency or other governmental body or officer in connection with the acquisition or installation of the Project, including construction and renovation work necessary for such installation, financing or refinancing thereof or reimbursement of the Borrower therefor; and any such action, construction, installation, financing, refinancing or reimbursement contemplated in this Loan Agreement is consistent with, and does not violate or conflict with, the terms of any such agency or other governmental consent, order or other action which is applicable thereto. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental authority is required on the part of the Borrower as a condition to the execution and delivery of this Loan Agreement, or to amounts becoming outstanding hereunder.

(g) Compliance with Law. The Borrower is in compliance with all laws, ordinances, governmental rules and regulations to which it is subject and which are material to its properties, operations, finances or status as a municipal corporation or subdivision of the State.

(h) Use of Proceeds.

(1) The Borrower will apply the proceeds of the Loan from the Council solely for the financing for the cost of the Projects as set forth in Exhibit A hereto. If any component of the Project listed in Exhibit A is not paid for out of the proceeds of the Loan at the Closing of the Loan, Borrower shall, as quickly as reasonably possible, with due diligence, and in any event prior to _____, 2013, use the remainder of the amounts listed in Exhibit A and any investment earnings thereon to pay the cost of the Project, provided that, such time limit may be extended by the written consent of the Council with notice to the Trustee, and provided further that Borrower may amend Exhibit A without the consent of the Council or the Trustee (but with notice thereto) but with a favorable opinion of Bond Counsel (to the effect that such an amendment and the completion of the revised Project will not adversely affect the validity or tax-exempt status of the Bonds) regarding the amended Exhibit A, to provide for the financing of a different or additional Project if Borrower, after the date hereof, deems it to not be in the interest of Borrower to acquire or construct any item of such Project or the cost of the Project proves to be less than the amounts listed on Exhibit A and the investment earnings thereon. Notwithstanding the foregoing all such proceeds shall be expended prior to _____, 2013. Borrower will provide the Trustee with a requisition in the form of the requisition attached hereto as Exhibit E for the expenditure of the remaining amounts of the Loan in the Project Loan Fund.

(2) Items of cost of the Project which may be financed include all reasonable or necessary direct or indirect costs of or incidental to the acquisition, construction or installation of the Project, including operational expenses during this construction period which would qualify for capitalization under generally accepted accounting principles, the incidental costs of placing the same in use and financing expenses (including the application or origination fees, if any, of the [Bond Insurer] and the Council and Borrower's Counsel fees), but not operating expenses.

(3) Borrower understands that the actual Loan proceeds received by it are less than the sum of the face amount of the Loan Agreement plus the reoffering premium in an amount equal to a discount as described in Section 3.01 hereof. Borrower will accordingly be responsible for repaying, through the Basic Payments portion of its Loan Repayments, the portion of the Bonds issued to fund only its Loan including the portion issued to fund the underwriting discount, original issue discount and other fees and costs of issuing the Bonds.

(4) The Borrower covenants that it will make no use of the proceeds of the Bonds which are in its control at any time during the term of the Bonds which would cause such Bonds to be "Arbitrage Bonds" within the meaning of Section 148 of the Code.

(5) The Borrower, by the Trustee's acceptance of the Indenture, covenants that the Borrower shall neither take any action nor fail to take any action or to the extent that it may do so, permit any other party to take any action which, if either taken or not taken, would adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

(i) Project. All items constituting the Project are permitted to be financed with the proceeds of the Bonds and the Loan pursuant to the Act.

(j) Compliance with Interlocal Act and Interlocal Agreement. All agreements and transactions provided for herein or contemplated hereby are in full compliance with the terms of the Interlocal Agreement and the Interlocal Act.

SECTION 2.02. Covenants of Borrower. The Borrower makes the following covenants and representations as of the date first above written and such covenants shall continue in full force and effect during the Loan Term:

(a) Security for Loan Repayment. The Loan shall be considered Additional Parity Obligations pursuant to the Original Ordinance. The Borrower agrees to pay when due under this Loan Agreement as promptly as money becomes available to the Trustee for deposit directly into the appropriate Fund or Account created in the Indenture, amounts of Pledged Revenues of the Borrower sufficient to satisfy the Loan Repayment as required under this Loan Agreement. The Borrower does hereby irrevocably pledge the Pledged Revenues to the payment of the Loan Repayments.

[(b) Delivery of Information to the Bond Insurer. Borrower shall deliver to the Bond Insurer and the Council as soon as available and in any event within 270 days after the end of each Fiscal Year an audited statement of its financial position as of the end of such Fiscal Year and the related statements of revenues and expenses, fund balances and changes in fund balances for such Fiscal Year, all reported by an independent certified public accountant, whose report shall state that such financial statements present fairly Borrower's financial position as of

the end of such Fiscal Year and the results of operations and changes in financial position for such Fiscal Year.]

[(c) Information. Borrower's chief financial officer shall, at the reasonable request of the Bond Insurer, discuss Borrower's financial matters with the Bond Insurer or their designee and provide the Bond Insurer with copies of any documents reasonably requested by the Bond Insurer or its designee unless such documents or material are protected or privileged from disclosure under applicable Florida law.]

(d) Pledge. The Pledged Revenues shall be subject to the lien of this pledge immediately upon the issuance and delivery of the Bonds, without any physical delivery by the Borrower of the Pledged Revenues to the Trustee or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind against the Borrower, in tort, contract or otherwise.

(e) Further Assurance. The Borrower shall execute and deliver to the Trustee all such documents and instruments and do all such other acts and things as may be reasonably necessary to enable the Trustee to exercise and enforce its rights under this Loan Agreement and to realize thereon, and record and file and re-record and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be reasonably necessary or required by the Trustee to validate, preserve and protect the position of the Trustee under this Loan Agreement.

(f) Keeping of Records and Books of Account. The Borrower shall keep or cause to be kept proper records and books of account, in which correct and complete entries will be made in accordance with generally accepted accounting principles, consistently applied (except for changes concurred in by the Borrower's independent auditors) reflecting all of its financial transactions.

(g) Payment of Taxes, Etc. The Borrower shall pay all legally contracted obligations when due and shall pay all taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits, or upon any properties belonging to it, prior to the date on which penalties attach thereto, and all lawful claims, which, if unpaid, might become a lien or charge upon any of its properties, provided that it shall not be required to pay any such tax, assessment, charge, levy or claim which is being contested in good faith and by appropriate proceedings, which shall operate to stay the enforcement thereof.

(h) Compliance with Laws, Etc. Subject to an annual appropriation of legally available funds, the Borrower shall comply with the requirements of all applicable laws, the terms of all grants, rules, regulations and lawful orders of any governmental authority, non-compliance with which would, singularly or in the aggregate, materially adversely affect its business, properties, earnings, prospects or credit, unless the same shall be contested by it in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

[(i) Tax-exempt Status of Bonds. The Council and the Borrower understand that it is the intention hereof that the interest on the Bonds not be included within the gross income of the holders thereof for federal income tax purposes. In furtherance thereof, the Borrower and the Council each agree that they will take all action within their control which is necessary in order for the interest on the Bonds or this Loan to remain excluded from gross income for federal income taxation purposes and shall refrain from taking any action which results in such interest becoming included in gross income.

The Borrower and the Council further covenant that, to the extent they have control over the proceeds of the Bonds, they will not take any action or fail to take any action with respect to the investment of the proceeds of any Bonds, with respect to the payments derived from the Bonds or hereunder or with respect to the issuance of other Council obligations, which action or failure to act may cause the Bonds to be "Arbitrage Bonds" within the meaning of such term as used in Section 148 of the Code and the regulations promulgated thereunder. In furtherance of the covenant contained in the preceding sentence, the Borrower and the Council agree to comply with the Tax Certificate as to Arbitrage and the provisions of Section 141 through 150 of the Internal Revenue Code of 1986, as amended, including the letter of instruction attached as an Exhibit to the Tax Certificate, delivered by Bryant Miller Olive P.A. to the Borrower and the Council simultaneously with the issuance of the Bonds, as such letter may be amended from time to time, as a source of guidelines for achieving compliance with the Code.]

(j) Information Reports. The Borrower covenants to provide the Council with all material and information it possesses or has the ability to possess necessary to enable the Council to file all reports required under Section 149(e) of the Code to assure that interest paid by the Council on the Bonds shall, for purposes of the federal income tax, be excluded from gross income.

(k) Limited Obligations. Anything in this Loan Agreement to the contrary notwithstanding, it is understood and agreed that all obligations of the Borrower hereunder shall be payable only from Pledged Revenues as provided for hereunder and nothing herein shall be deemed to pledge ad valorem taxation revenues or to permit or constitute a mortgage or lien upon any assets or property owned by the Borrower and no Bondholder or any other person, including the Council, the Trustee [or the Bond Insurer], may compel the levy of ad valorem taxes on real or personal property within the boundaries of the Borrower. The obligations hereunder do not constitute an indebtedness of the Borrower within the meaning of any constitutional, statutory or charter provision or limitation, and neither the Trustee, the Council, [the Bond Insurer], or the Bondholders or any other person shall have the right to compel the exercise of the ad valorem taxing power of the Borrower or taxation of any real or personal property therein for the payment by the Borrower of its obligations hereunder. Except to the extent expressly set forth in this Loan Agreement, this Loan Agreement and the obligations of the Borrower hereunder shall not be construed as a limitation on the ability of the

Borrower to pledge or covenant to pledge said Pledged Revenues or any revenues or taxes of the Borrower for other legally permissible purposes.

(l) Reporting Requirements. (i) The Borrower will file or cause to be filed with [the Bond Insurer] and with the Council any official statement issued by, or on behalf of, the Borrower in connection with the incurrence of any additional indebtedness by the Borrower. Such official statements shall be filed within sixty (60) days after the publication thereof.

(ii) The Borrower agrees to provide not later than December 31 of each year, a certificate of its Chief Financial Officer stating that to the best of its knowledge the Borrower is in compliance with the terms and conditions of this Loan Agreement, or, specifying the nature of any noncompliance and the remedial action taken or proposed to be taken to cure such noncompliance.

(m) Provisions of Original Ordinance Incorporated Herein. The covenants of the Borrower contained in the Original Ordinance are incorporated herein by reference, and until such time as the principal of, premium, if any, and interest on the Loan shall have been paid, the Borrower agrees that it shall continue to comply with the covenants set forth in the Original Ordinance regardless of any payment or discharge of any obligations issued thereunder.

DEFEASANCE

This Loan Agreement shall continue to be obligatory and binding upon the Borrower in the performance of the obligations imposed by this Loan Agreement and the repayment of all sums due by the Borrower under this Loan Agreement shall continue to be secured by this Loan Agreement as provided herein until all of the indebtedness and all of the payments required to be made by the Borrower shall be fully paid to the Council or the Trustee. Provided, however, if, at any time, the Borrower shall have paid, or shall have made provision for payment of, the principal amount of the Loan, interest thereon and redemption premiums, if any, with respect to the Bonds and shall have paid all amounts due pursuant to Section 5.03 hereof, then, and in that event, the lien on the Pledged Revenues for the benefit of the holders of the Bonds shall be no longer in effect and all future obligations of the Borrower under this Loan Agreement shall cease. The prepayment premium, if any, shall be calculated based on the prepayment date selected by the Borrower in accordance with Section 5.07 hereof.

If the Borrower determines to prepay all or a portion of the Loan pursuant to Section 5.07 hereof, the Council shall redeem a like amount of Bonds which corresponds in terms of amount and scheduled maturity date to such Loan prepayment pursuant to Section 3.01 of the Indenture.

If the Borrower shall make advance payments to the Council in an amount sufficient to retire the Loan of the Borrower, including redemption premium and accrued interest to the next succeeding redemption date of the Bonds, all future obligations of the Borrower under this Loan Agreement shall cease, including the obligations under Section 5.03 hereof, except as provided in Section 4.02 hereof. [SECTION 7.04. Payments by the Surety Bond Provider. The Borrower acknowledges that payment under this Loan Agreement from funds received by the Trustee or Bondholders from the Surety Bond Provider do not constitute payment under this Loan Agreement for the purposes hereof or fulfillment of its obligations hereunder.]

ARTICLE VIII

(b) Failure by the Borrower to timely pay any other payment required to be paid hereunder on the date on which it is due and payable, provided the Borrower has prior written notice of any such payments being due;

(c) Failure by the Borrower to observe and perform any covenant, condition or agreement other than a failure under (a), on its part to be observed or performed under this Loan Agreement, for a period of thirty (30) days after notice of the failure, unless the Council, the [Bond Insurer] and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Council, the [Bond Insurer] or the Trustee, but cannot be cured within the applicable 30-day period, the Council, the [Bond Insurer] and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower within the applicable period and diligently pursued until the failure is corrected;

Gentlemen:

We are counsel to [Name of Borrower], Florida (the "Borrower"), and have been requested by the Borrower to give this opinion in connection with the loan by the Florida Municipal Loan Council (the "Council") to the Borrower of funds to finance or refinance or reimburse the Borrower for all or a portion of the cost of a certain Project (the "Project") as defined in, and as described in Exhibit A of, the Loan Agreement, dated as of _____, 2010 (the "Loan Agreement"), between the Council and the Borrower.

In this connection, we have reviewed such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, including applicable laws, and ordinances adopted by the [name of governing board] of the Borrower, the Loan Agreement, an Trust Indenture dated as of _____, 2010 (the "Indenture") between the Council and _____, as trustee (the "Trustee") and Ordinance No. _____ enacted by the Borrower on _____, 2010 (the "Ordinance"). Based on such review, and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

(a) The Borrower is a municipality duly organized and validly existing under the Constitution and laws of the State of Florida and under the provisions of the Constitution and laws of the State of Florida. The Borrower has the legal right and all requisite power and

authority to enter into the Loan Agreement, to enact the Ordinance and to consummate the transactions contemplated thereby and otherwise to carry on its activities and own its property.

(b) The Borrower has duly authorized, executed and delivered the Ordinance, the Loan Agreement, the Bond Purchase Contract and the Continuing Disclosure Agreement, and such instruments are legal and binding obligations of the Borrower enforceable against the Borrower in accordance with its terms, except to the extent that the enforceability hereof may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity, and to the sovereign police powers of the State of Florida and the constitutional powers of the United States of America.

(c) The execution and delivery of the Ordinance, the Continuing Disclosure Agreement, the Bond Purchase Contract and the Loan Agreement, the consummation of the transactions contemplated thereby, the purchase or construction of the Project or the reimbursement for costs of the acquisition or construction thereof or the refinancing of the indebtedness to be refinanced with the proceeds of the loan and the fulfillment of or compliance with the terms and conditions of the Loan Agreement, the Bond Purchase Contract and the Continuing Disclosure Agreement does not and will not conflict with or result in a material breach of or default under any of the terms, conditions or provisions of any agreement, contract or other instrument, or law, ordinance, regulation, or judicial or other governmental order, to which the Borrower is now a party or it or its properties is otherwise subject or bound, and the Borrower is not otherwise in violation of any of the foregoing in a manner material to the transactions contemplated by the Loan Agreement.

(d) There is no litigation or legal or governmental action, proceeding, inquiry or investigation pending or, to the best of our knowledge, threatened by governmental authorities or to which the Borrower is a party or of which any property of the Borrower is subject, which has not been disclosed in writing to the Council and the Bond Insurer and which, if determined adversely to the Borrower, would individually or in the aggregate materially and adversely affect the validity or the enforceability of the Loan Agreement, the Bond Purchase Contract or the Continuing Disclosure Agreement.

(e) Any indebtedness being refinanced, directly or indirectly, with the proceeds of the Loan was initially incurred by the Borrower, and the proceeds of such indebtedness have been fully expended, to finance the cost of the Project.

We are attorneys admitted to practice law only in the State of Florida and express no opinion as to the laws of any other state and further express no opinion as to the status of interest on the Bonds under either Federal laws or the laws of the State of Florida.

Very truly yours,

(o) The information contained in the Preliminary Official Statement (other than the information in the section captioned "The Borrowers," and in Appendices G through L as to which no representation is made) is true and correct in all material respects, does not contain any untrue statement of a material fact, and does not omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances

The Issuer has complied in all material respects with all prior undertakings made by it pursuant to Rule 15c2-12.

(q) If between the date of this Agreement and the earlier of (i) ninety (90) days from the end of the "Underwriting Period" as defined in Rule 15c2-12 or (ii) the time when the Official Statement is available to any person from a nationally recognized municipal securities information repository (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the Issuer has actual knowledge, which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Issuer shall notify the Underwriter thereof, and, if in the opinion of the Underwriter or the Issuer such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Issuer will at the expense of the Borrowers supplement or amend the Official Statement.

SECTION 4. Representations, Warranties and Covenants of the Borrowers. Each Borrower severally and not jointly represents and warrants to and covenants with the Underwriter and the Issuer that:

(f) The audited financial statements of such Borrower contained in the Preliminary Official Statement and to be contained in the final Official Statement, present fairly the financial position of such Borrower as of the dates indicated and the results of its operations for the periods specified; such financial reports and statements have been prepared in conformity with generally accepted accounting principles consistently applied in all material respects to the periods involved, except as may otherwise be stated in the notes thereto; and there has been no material adverse change in the condition, financial or otherwise, of such Borrower from that set forth in the audited financial statements, and such Borrower has not incurred any material liabilities since the date of such financial statements.

(g) The proceeds of the Bonds will not be used by such Borrower in any way that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(h) The execution and delivery by such Borrower of this Agreement, the Continuing Disclosure Agreement and the Loan Agreement and the other documents contemplated herein and in the Official Statement, the approval by such Borrower of the Bonds, those portions of the Official Statement applicable to such Borrower and the Bond Indenture, the application by such Borrower of the proceeds from the sale of the Bonds, together with certain other moneys and securities, for the purposes set forth in the Official Statement, and the compliance by such Borrower with the provisions hereof and thereof, under the circumstances contemplated herein and therein, to the best knowledge of such Borrower, will not in any material respect conflict with or constitute on the part of such Borrower a breach of or default under either such Borrower's charter or under any ordinance, resolution, indenture, mortgage, deed of trust, loan agreement, contract or any agreement or other instrument of such Borrower to which such Borrower is a party, or of any existing law, administrative regulation, court order or consent decree to which such Borrower or such Borrower's property is subject.

(i) Except as may be described in the Preliminary Official Statement, to the best knowledge of such Borrower, there is no action, suit, referendum, proceeding, inquiry or investigation at law or in equity or before or by any court, governmental agency, arbitrator, authority, public board or body pending or threatened, against or affecting such Borrower wherein an

unfavorable decision, ruling or finding would materially and adversely affect (i) the transactions contemplated herein or in the Preliminary Official Statement, (ii) the issuance or sale of the Bonds, (iii) the existence of such Borrower or the entitlement of its respective officers to their respective offices, (iv) the collection of revenues by such Borrower from which such Borrower is obligated to make payments under the Loan Agreement, (v) the financial condition of such Borrower, (vi) the federal tax-exempt status of the interest on the Bonds, (vii) the validity or enforceability of the Loan Agreement, the Continuing Disclosure Agreement, the Bond Indenture, the Bonds, or this Agreement, (viii) the power of such Borrower to execute, deliver or approve such documents, (ix) the business, properties, assets or financial condition of such Borrower or (x) the ability of such Borrower to comply with its obligations under the Loan Agreement, the Continuing Disclosure Agreement, the Bond Indenture, this Agreement or the transactions contemplated by the Official Statement.

(j) To the best knowledge of such Borrower, it is not now, and as of the date of Closing will not be, in default with respect to any agreement to which such Borrower is a party and which could have a material financial impact on such Borrower or which could materially and adversely affect the ability of such Borrower to consummate the transactions contemplated by the Preliminary Official Statement.

Such Borrower ratifies and consents to the use of the Preliminary Official Statement, the Official Statement and drafts thereof prior to the availability of the Official Statement by the Underwriter in obtaining such qualification.

(m) No default, event of default or event which, with the giving of notice or the passage of time, or both, would constitute a default or an event of default under the Bond Indenture, the Loan Agreement or under any document executed by such Borrower relating to the Bonds, has occurred and is continuing.

(n) Such Borrower has not taken or omitted to take any action, and knows of no action that any other person has taken or omitted to take, which would cause the interest on the Bonds to be includible in the gross income of the recipients thereof for federal income tax purposes, and covenants that it will not take any action or omit to take any action which could have such result.

(o) Such Borrower has not since December 31, 1975, been in default as to the payment of principal or interest on any obligation issued or guaranteed by it or on its behalf.
